

ACCESSORI ORIGINALI

ACCESSORI ORIGINALI

BEYOND EXPECTATIONS.

Automobili Lamborghini has been building super sports cars since 1963. From that moment on, our dedication and passion led us to build true art masterpieces. Each vehicle is built by hand at Sant'Agata Bolognese and blends state-of-the-art manufacturing technology and a constant strive for perfection. Our values transcend mere car production. They are also the pillar in the creation of Accessori Originali.

Featuring outstanding quality, advanced technology and the unmistakable Lamborghini design, with the utmost attention down to the smallest detail; every accessory is a statement of our ultimate goal: to consistently exceed our customers' expectations of quality and service.

**You can fully express your personality with
Automobili Lamborghini Accessori Originali.**

BEYOND EXPECTATIONS.

URUS / URUS S / URUS PERFORMANTE
The applicability of some Accessori Originali may vary based on the Urus model and reference country, as indicated in the caption associated with this icon. For information on the products available, contact your Lamborghini Dealer.

01 SPORT

Leading-edge design
and lightweight technology
for your Lamborghini.

TITANIUM EXHAUST SYSTEM

Precision-engineered from high-grade titanium alloy and designed to significantly reduce weight. The Urus Titanium Exhaust System from Accessori Originali amplifies the unique growl of the engine and improves overall performance. Perfectly finished with four titanium tailpipes, ensuring that it looks as good as it performs. This system is homologated for road use and is the only exhaust on the market that will not void your Urus warranty.

URUS / URUS S

The availability of this accessory may vary depending on the country. For information on the product's availability, contact your Lamborghini Dealer.

02 RIMS AND TIRES

Top-of-the-line performance and maximum safety in all driving conditions.

RIMS

Engineered and crafted at the Sant'Agata production facility, Lamborghini rims are forged to perfection from a single piece of aluminum. The result is a lighter, thinner rim that does not sacrifice strength.

THE IMPORTANCE OF THE "L" MARK

Easily recognizable by their unique "L" marking on the sidewall, only OE tires have been approved and homologated by Lamborghini, as a result of accurate testing and technological commitment.

Designed to enhance your car's performance while ensuring a unique driving experience under all conditions, on both road and track, "L"-marked tires feature a special Lamborghini profile and tread design.

Main characteristics:

- The entire Lamborghini 4-wheel drive transmission (front and rear differentials) has been engineered with the "L" tires in mind.
- Optimal car performance, excellent drivability and maximum safety on both road and track, thanks to the development of high-standard tire requirements (on which Lamborghini Active Vehicle Dynamics System is based).

"L" TIRE MODELS

Benefiting from the motorsport technological know-how, only tires with the exclusive "L" marking on the shoulder provide you with the perfect equipment for your Urus.

SNOW CHAIN

Lamborghini's type-approved snow chains provide extra grip, handling, and safety under all extreme conditions, such as snow or ice.

Only available for 21" rims.

URUS / URUS S

The availability of this accessory may vary depending on the country.
For information on the product's availability, contact your Lamborghini Dealer.

WINTER TIRES

In addition to standard and sport tires, Lamborghini provides you with the perfect winter tires: even in cold weather and on wet roads, these special tires will ensure that you get the best performance out of your car without compromising on safety.

Available for 21" and 22" rims.

03 EXTERIOR

Strong and self-confident.

CARBON FIBER ENGINE BAY

A high-quality 100% carbon fiber engine bay will ensure your Urus has the best-dressed V8 engine. This classic Lamborghini accessory has been designed to emphasize the aggressive spirit of the Urus.

DOOR LIGHTS

The new Lamborghini branded LED door lights provide that extra touch that doesn't go unnoticed. Be seduced by the iconic shield reserved for the world's most exclusive cars, or indulge in the classic Automobili Lamborghini script recognized around the world.

The choice is yours.

VALVE CAPS WITH LOGO

Specially designed by Accessori Originali, this precious set of aluminum valve caps with the bull logo are painted and laser-engraved.

RIM BADGE

With different designs, colors, and logos to choose from, these jewel-encrusted center caps, hand-crafted by professional artisans, will make your Lamborghini unique and provide additional glamour to the wheel rims.

04 USABILITY

Designed to enhance your comfort
on board wherever you go.

LAMBORGHINI EYE 2.0

Lamborghini EYE is the new and improved universal traffic recorder developed for Urus models. This dashcam device features two full-HD cameras with a wide-angle lens that continuously record everything that happens around the car during driving and parking. Thanks to the new EYE 2.0 app, the user can then view the footage at any time from their mobile device.

ALL-SEASON MATS

The Urus is designed to stop for nothing, and that means things may get a little messy. The All-Season Mats provide extreme protection and excellent comfort in every condition, especially when dealing with water, mud, or snow. Raised edges protect the carpeting, while their design allows for easy removal and cleaning.

CARGO LINER

The Cargo Liner is conceived to protect the trunk area of your Urus in every condition (water, snow, mud). Made of semi-rigid material, the Cargo Liner flattens to fit snugly into the Urus. It is highly durable, waterproof and has raised edges to protect the trunk interior. Extremely easy to apply and remove for cleaning.

CARGO STOPPERS

Cargo Stoppers further protect the vehicle by preventing cargo of different shapes and sizes from shifting and sliding within the trunk during transportation.

LOAD ASSIST TRAY

Made from strong yet light aluminum, the Load Assist tray slides directly on the luggage compartment rails, allowing for easier load management and optimized rear space. Available only for 5-seat configuration.

LUGGAGE SET

Travel in full Lamborghini style with the elegance and originality of the Lamborghini branded luggage set, specifically designed to fit the space in the luggage compartment for handy, daily use. The set consists of two bags with hand-sewn finishes made from the same prized Italian leather and the same Alcantara used to finish the interior of Lamborghini vehicles.

You can choose between three different configurations:

STANDARD

It combines the elegance of black leather, gray Alcantara, and yellow stitching, for an all-black look;

AD PERSONAM

The leather, Alcantara, and stitching are coordinated, and you can choose from the wide range of colors and materials available;

AD PERSONAM PLUS

Provides the opportunity to choose a different color for the logo stitching, add embroidered initials, include integral Alcantara, and select the color of the standard exterior leather.

COMFORT PACK

A soft leather cushion and a 100% cashmere blanket are available for those who want a more comfortable ride.

ROOF BOX

Our Roof Box was designed to be eye-catching while satisfying all your extra cargo needs. It was engineered with high standards in design, storage, and aerodynamics. Equipped with a useful internal LED light and integrated ski carrier to be used in every condition.

URUS / URUS S

The availability of this accessory may vary depending on the country. For information on the product's availability, contact your Lamborghini Dealer.

BIKE RACK

A smart, sleek addition to your Lamborghini Urus to access any adventure, whether on four or two wheels. Sturdiness and functionality come together to deliver a product suitable for all cyclists and compatible with city, race, gravel, and MTB bike models.

URUS / URUS S

The availability of this accessory may vary depending on the country.
For information on the product's availability, contact your Lamborghini Dealer.

SKI BAG

As an alternative to carrying skis on the dedicated crossbar, this branded bag allows you to carry them in the comfort of the cabin. Requires a 4-seat configuration to ensure sufficient space.

PET CARE

More cabin space means more possibilities. Created for pet lovers, this accessory package features a variety of items to meet your every need and expectation: safety belts for maximum protection, accessibility ramps for ease of access to the luggage compartment, and a rear seat cover to avoid wear and tear.

SAFETY BELTS

- Increase the safety and comfort of your dog.
- Customized with the Automobili Lamborghini logo.
- Total safety is guaranteed by the TÜV approved carabiner clip.
- Featuring an elegant and safe design.
- Available in 4 sizes (S-M-L-XL).

PROTECTIVE SEAT COVER

- Protects the rear seats from damage, scratches, liquids and dirt.
- Made of a durable cotton/polyester fabric.
- Waterproof and easy to install.
- Easy to clean thanks to the practical fabric.

PET RAMP

- The Pet Ramp is designed for the comfort of the pets and the convenience of their owners.
- It is portable and has a non-slippery surface that allows easy access to your car.
- Already assembled and ready to use.
- No tools or setups are necessary for installation.

05 CARE AND SAFETY

A car that is built with so much care
deserves to be protected.
These tailor-made items fit the bill.

INFOTAINMENT SCREEN PROTECTOR

The protection you need for your Infotainment and Climate Control touchscreens to defend them against oil, dust, scratches, and water. The screen protector is layered with an oleophobic coating that repels the oils from your fingertips and brings additional smoothness to the navigation screen. This accessory guarantees and preserves the display's color and touchscreen capabilities. The Lamborghini shield hologram is a remarkable detail that makes the Screen Protector truly unique.

OUTDOOR CAR COVER

The Accessori Originali outdoor car cover guarantees maximum results in terms of protection, waterproofing, and appearance. The cover is resistant to tearing and temperature excursions and presents the Lamborghini shield and lettering on the front and rear sides.

INDOOR CAR COVER

The indoor car cover hugs the Urus to perfection. Dustproof and non-scratch, the cover features the Lamborghini logo and is perfect to protect your vehicle when the car is stored in a closed area for any length of time.

STEERING WHEEL COVER

The steering wheel of your Urus has been crafted by expert artisans over many hours of meticulous work, which is why these parts of your Urus must be protected even indoors. The steering wheel cover is made of hard-wearing stretch fabrics bearing the Lamborghini emblem and is the perfect solution for those who want to care for their vehicle even when not in use.

BATTERY MAINTAINER

Preserves the battery of the Urus and is also compatible with any Lamborghini model thanks to its innovative recognition software.

TIRE CUSHIONS

The set features two double and two single ramp cushions made of special polyurethane foam; this material prevents tire deformation caused by prolonged parking of the vehicle in the same position.

Developed and manufactured in Italy.

EMERGENCY AND FIRST AID KIT

Specially designed and easily transported, this kit contains everything you need to deal with an emergency on the road.

EU and UK countries only.
The availability of this accessory may vary depending on the country.
